### Action Taken Report on Feedback Analysis: 2023-24

IQAC designs and collects feedback from its stakeholders to check the academic performance of the institute. It includes evaluation of quality of curriculum and curriculum related issues as library resources, teaching- learning aids etc. The feedback forms were collected online from students, teachers, employers and alumni. The feedback collected is analyzed and sent to the respective authorities for actions.

Suggestions	Action Taken
Strengthening career counseling and placements	The appointment of active faculty as placement officer lead to the implementation of the career counseling and campus placements. The College conducted soft skill training program to all the students in collaboration with RUBICON to become industry ready
Value-Based courses should be introduced	After the approval from Academic management committee certificate courses have been started.
Curriculum should balance practical and theoretical content.	IQAC has conveyed this suggestion to heads of all departments to implement teaching methodologies to balance practical and theoretical content.
Suggestions for teacher training for greater use of ICT in teaching learning process	Many faculty members attended online professional and faculty development programs for greater use of ICT in teaching learning process
Library should be enriched with books according to new syllabus.	Proposals and demand for books according to National education policy are sent to authorities.
Institute should make arrangements for preparation of competitive exams.	Various activities have been carried out to provide guidance for competitive examinations by IQAC and Swami Vivekanand Career Guidance cell.
