Model Question Paper
1st year 1st semester Examination

Title of the paper: English Praxis Course-1

Time: 3 Hours

Max. Marks: 70

Section-A

I. Read the following passage carefully and answer the questions that follow: 5x1=5M

News is as old as Man. When we meet someone, we generally ask, "What is the News?" People in villages meet at a centre-(Racchabanda) to exchange news about others. News is linked to Geography, to time, to the character of the people, their needs and ambitions etc. News is an acronym for North, East, West and South.

News is not something that is spontaneous. It is manufactured first by the influential men and women in the society, second by the media-organization and third by the reporters. News reporters often use the word "story". Story is any narrative or descriptive article in a Newspaper. This word is most bandied between a News editor and a reporter.

1. Where do people of villages meet to exchange News?
2. Is News linked with the character of a person?
